~~① I would say to him that~~
~~"Hey we~~

① Didn't you wash the dishes last night? I thought it was your turn to do them. Still if you are not feeling like doing it, so I will do it and then you can wash them next time.

② I will say good morning to him and ask him whether he was also worried fine and okay and was also worried apart him and also ask ~~whether~~ where you have been

③ I would like to apologize to her and I will still ask her if she is angry with me and she will tell her that by coming home this holiday this year because of you.
