

Q-No-1: What happened? Why are you getting pale? Should I bring you water? Wait let me bring you glass of water.

Ans: On the behalf of the statement, and that have I noticed that franco's health was on right at all ...

Q-No-2: When Franco comes home from the doctor's office, you notice that he looks pale and his shoulders are slumped. Glancing of you with a sad look, he shrugs his shoulders. But You were saying he went he went to the doctors office? What happened to you are you fine ? Did he tell something to you about illness? You have to take rest now;

Ans: Franco have now arrived from doctors clinic, and he was tensed with sadness. I contracted his illness from him. I talked to him and forced him to take rest and you should take care of yourself
